**EMPOWERING THE
FISHERFOLK SINCE
1979**

Director's Message

Rev. Fr. Joby Sebastian
Director,
FCDP, TMS, FCDS & DBYF

Everyone would agree that the various activities of Fishermen Community Development Programme (FCDP) since its beginning in 1978, has significantly altered the lives of the fishermen community. The formation of Theeradesa Mahila Society (TMS) gave additional impetus especially to the empowerment of coastal women economically and socially. The starting of two new societies namely Fishermen Community Development Society (FCDS) and Don Bosco Youth Forum (DBYF) recently, I believe, will likewise help bring out successful startups and promote integral development of the youth of the community.

The financial year 2022 to 2023 was especially marked by the infusion of new blood into the organization and the active involvement especially of youth and children in the various activities of the FCDP family. We pledge our continued commitment to the cause of Fishermen Community.
